

## Position Posting

### ~ Coordinator, Community Programs ~

- Location:** This staff position works out of the Foundation's office in Saskatoon, Saskatchewan.
- The Organization:** The Kidney Foundation of Canada is the leading charity committed to eliminating the burden of kidney disease through:
- Funding and stimulating innovative research for prevention, better treatments, and a cure.
  - Providing education and support to prevent kidney disease in those at risk and empower those with kidney disease to optimize their health status.
  - Advocating for improved access to high quality healthcare.
  - Increasing public awareness and commitment to advancing kidney health and organ donation.

For almost 60 years, The Kidney Foundation has been a collaborative, innovative and focused leader in the development of programs, services, research opportunities and awareness campaigns that have had a positive impact on the millions of Canadians living with, or at risk of developing kidney disease.

#### Job Summary:

##### OVERVIEW

The programs provided by The Kidney Foundation of Canada ensure the delivery of the public benefit of the Foundation in accordance with our mission. The Programs are also a key element in establishing the public profile of the Foundation and in developing effective relationships with our key constituents, including funders.

##### ROLE

Working in collaboration with the program management team in Saskatchewan and Southern Alberta, the Coordinator, Community Programs oversees the implementation, day to day management, and evaluation of the program portfolio in Saskatchewan. The program portfolio includes patient services, organ donation initiatives, kidney health initiatives, and public education.

The Coordinator, Community Programs works with the Program team for Saskatchewan and Southern Alberta, and volunteer committees or teams, in developing in the goals, priorities, and key strategies for the effective delivery of programs within the province, and engagement of members of the kidney community through program related activities and events.

Reports to: The Branch Executive Director.

## ***Position Posting***

### **Major Accountabilities**

- Assists in developing, monitoring, and implementing a comprehensive business plan/budget for programs and services in support of the Foundation's overall strategic plan, cognizant of National goals and objectives.
- Ensures that the Saskatchewan Branch complies with its mandate to provide all nationally mandated core patient services, and ensures that non-core patient services are provided, as appropriate and collect data and prepare required reports.
- Develops, provides leadership to and supports the appropriate Branch Program Committees and teams in the accomplishment of the overall strategic plan for the Branch.
