

# Research Study Share Request

The Kidney Foundation of Canada is proud to support Research, and happy to help support the dissemination of research studies to our community.

This form is for researchers looking to recruit study participants or for lived experience partnership. By filling out this form you are requesting support for sharing your research study or opportunity. If successful, your study will be shared on our website ([Kidney Foundation - Participate in a Study](#)), across our social media channels, and via Kidney Link.

If you have any further questions, please contact [research@kidney.ca](mailto:research@kidney.ca). Please note, that it is at the discretion of the Foundation to post study requests.
