

Volunteers Make Our Work Possible

POSITION: Chapter Leadership Volunteer

We could not do what we do without our amazing volunteers. Join a dynamic and diverse group of people who are making an important contribution to improving the lives of people with kidney disease.

Volunteering with us is a positive and rewarding experience. Use your skills and talents to help others while exploring opportunities for personal growth in a respectful and supportive environment.

The Kidney Foundation of Canada is the national volunteer organization committed to reducing the burden of kidney disease through funding and stimulating innovative research; providing education and support; promoting access to quality healthcare; and increasing public awareness and commitment to advancing kidney health and organ donation.

We are looking for Chapter Leadership Volunteers who will be responsible for assisting the Chapter reach its goals by advising and supporting local fundraising and awareness initiatives.

Why this is a great opportunity for you: Opportunity to make a difference in the lives of those with kidney disease; personal growth and professional development; participation in conferences related to health and the volunteer sector; networking with volunteers, employees, and other professionals across Ontario.

Why we need your assistance: Provide leadership and support to the Chapter; to assist in managing or developing new virtual and in-person initiatives and sharing fundraising goals; to maintain and uphold the strategic plan; assist in growing the volunteer base; assist in scoping new fundraising opportunities for the Foundation; support the various fundraising events by promoting and assisting in revenue generation wherever possible.

Essential Skills: Exceptional commitment to the mission while understanding the purpose of the Foundation; takes initiative; ability to engage, motivate, and inspire people; works collaboratively with team members; facilitation skills; financial related background or connection to kidney disease is an asset.

Requirements: Works collaboratively with Chapter and or Branch staff; works on activities which align with the Foundation's strategic plan and supporting Chapters' development; assist with fundraising campaigns; participates in external activities representing the Foundation; meets regularly with Chapter and Committee Members; undertakes specific assignments.

Commitment: We require up to 1 year of your valuable time attending annual meetings (calendar provided) as well as conference calls if required. Leadership meetings will take place once per month.

Training: Orientation and training will be provided by the Chapter Manager.

Benefits: Seeing the impact of volunteer efforts while supporting individuals and their families affected by kidney disease; personal growth and professional development; participation in conferences related to health and the volunteer sector; networking with volunteers, staff and other professionals across Ontario.
