

# Volunteers Make Our Work Possible

## **POSITION: Community Outreach Volunteer**

We could not do what we do without our amazing volunteers. Join a dynamic and diverse group of people who are making an important contribution to improving the lives of people with kidney disease.

Volunteering with us is a positive and rewarding experience. Use your skills and talents to help others while exploring opportunities for personal growth in a respectful and supportive environment.

The Kidney Foundation of Canada is the national volunteer organization committed to reducing the burden of kidney disease through funding and stimulating innovative research; providing education and support; promoting access to quality healthcare; and increasing public awareness and commitment to advancing kidney health and organ donation.

*We are looking for Community Outreach Volunteers who will be responsible for assisting the Branch reach its goals.*

**Why this is a great opportunity for you:** Opportunity to make a difference in the lives of those with kidney disease; personal growth and professional development; participation in social media campaigns and initiatives related to kidney health; networking with volunteers, employees, and other professionals across Ontario.

**Why we need your assistance:** To help facilitate the online presence of The Kidney Foundation of Canada – Ontario Branch; To amplify the Foundation’s messages on social media outlets such as Twitter, Instagram, and Facebook; To distribute of posters and print materials virtually or in-person; To repost and share @KidneyOntario content; Answer questions, share information and guide others to The Kidney Foundation of Canada’s website or social accounts for more information.

**Essential Skills:** Creativity and a social media marketing related background or connection to kidney disease is an asset; Exceptional commitment to the mission while understanding the purpose of the Foundation; Initiative; ability to engage, motivate, and inspire people; Ability to work collaboratively with team members.

**Requirements:** A personal Twitter, Facebook, and/or Instagram account; Email or phone access to work with Chapter and/or Branch staff; Availability to promote fundraising campaigns during Kidney Health Month; Available to meet regularly with Chapter and Committee Members to discuss social media and community outreach.

**Commitment:** We require up to 1 year of your valuable time.

**Training:** Orientation and training will be provided by a Kidney Foundation staff lead.

**Benefits:** Seeing the impact of volunteer efforts while supporting individuals and their families affected by kidney disease; personal growth and professional development; participation in conferences related to health and the volunteer sector; networking with volunteers, staff and other professionals across Ontario.
